

ABERNETHY & ABERARGIE BIODIVERSITY VILLAGES

Biodiversity Towns & Villages Initiative

Choose from a suite of pre-funded projects we can deliver or install to make a space for wildlife and enhance the beauty of your village!

Do you love nature and want a say in how we can improve biodiversity in your local area? Join the Tayside Biodiversity Partnership and share your ideas at our Community Mapping Session

- Swift boxes
- Bee Beds
- Hogilos
- Fruit trees
- Bat boxes
- Amphibian ladders
- Bee Posts

How You Can Participate

- Love wildlife

No expert knowledge needed, just an enthusiasm to improve your patch for nature

- Local knowledge

What do you know about local wildlife to help us target effective species-specific and habitat-based projects? Mark it on our maps!
